

It's Not Always Elementary, My Dear.

SOMETIMES YOU HAVE TO really search for the truth. That's why Louisiana's most prominent attorneys rely on Bourgeois Bennett for expert testimony and sound advice. We also keep them closed into tax preparation and planning, accounting and auditing services, technology and practice management advice so they stay on top of their game. With so many services to offer, it is easy to deduce who can meet the needs of your firm - and those of your clients.

Mystery solved.

It Only Seems Like Magic.

WE NEVER USE SMOKE AND MIRRORS. At Bourgeois Bennett, our results always come from our hard work and our years of experience. Since 1979 we have been assisting Louisiana's top companies, so we can see where it could seem almost supernatural. Our experts aren't wizards, but they are pretty amazing. They have practice management advice, expert testimony, forensic accounting, technology assessment and so much more up their sleeves. They will assist you with how they can help fill the needs of your firm - and those of your clients. With experience like this, who needs slight of hand?

Focus!
