

“Being a fixture in the lighting business,

I know the importance of being consistent.

It’s also what I expect from my team at HA&W.

And that’s what I get.

We work with the same

talented staff year after year.”

Fred Lee, CEO, Progressive Lighting

CONSIDER YOURSELF SPECIAL. Consider the accounting firm that gives you skillful expertise and service like a trusted friend. Habif, Arogeti & Wynne. HA&W is considerably different. Small enough to give personalized attention and maintain face-to-face relationships—large enough to offer premier talent in a broad range of specialties. Focusing on the particular needs of privately held, mid-market companies, HA&W is the largest independent accounting firm in Georgia, and the scope of our tax, auditing and consulting practices continues to grow. How can you get the attention you deserve from a leading accounting firm?

Call HA&W and consider it done.
