Association for Accounting Marketing Announces Marketing Achievement Award Winners

Kansas City, MO—July 14, 2003— Twenty-two firms have won 2003 Association for Accounting Marketing Marketing Achievement Awards (AAM-MAAs) in seventeen categories. The awards are in recognition of outstanding achievements in the area of accounting marketing and communications. Accounting firms from all over the United States and Canada competed in two divisions, over 75 professionals and less than 75 professionals.

The awards were presented during the 9th annual AAM-MAA awards ceremony in June at the Association for Accounting Marketing Annual Conference in Boston, Massachusetts.

Catalyst LLP Chartered Accountants of High River, AB, Canada, won the "Best In Show" award for an advertising campaign designed to build awareness of the firm in the Calgary, AB market.

The number of AAM-MAA entries set a record for the AAM competition. One hundred thirty six projects were submitted for judging.

The panel of judges included professionals in the advertising, public relations and marketing fields.
